

## Fees and Terms for assessment to award L2 NVQ Diploma in Innovative/Modern Methods of Construction - Modular/Portable Building

The assessment process is based upon a minimum of two onsite assessor days, with two to four days off site to develop the candidate portfolio, collate evidence and undertake documentation for NOCN (C-Skills) to award the certificate.

It is possible to manage the assessment of two candidates in parallel subject to being located on the same site and able to demonstrate compliance within the same time period, reducing the cost based upon utilization of the same site days.
